Peninsula
Kingswood
Dress
Regulations

Why a dress code?

Peninsula Kingswood is a warm and welcoming Club that prides itself on being a leader of the industry. The standard of dress and general appearance will, at times, govern the privileges of all members and their guests who use the facilities of the Clubhouse and Courses.

These standards are consistent with the Club's vision and values. As such, the Club enforces a dress code that is aimed at maintaining the traditions of golf and club life. It is the member's responsibility to ensure they and their guests comply with these regulations.

Management and staff are instructed to advise members and guests if their dress is inappropriate.

With the above in mind, the next few pages should make it all much easier to understand what is acceptable and what is not.
