

## Patient Problems

- Rodenstock Professional Services
- WA OA June 21

# What does the patient say?

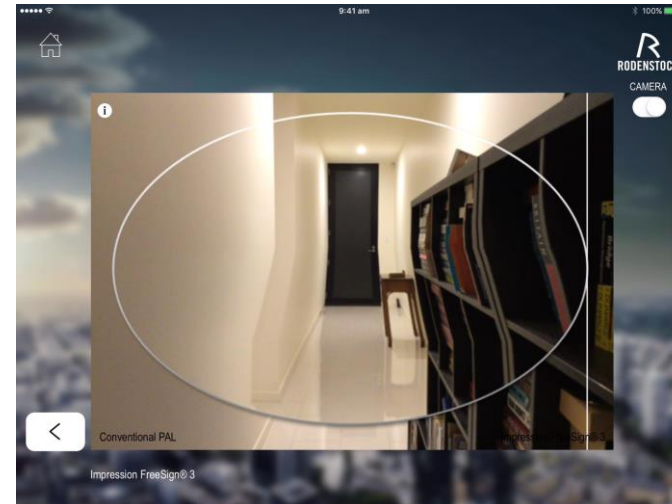

I can see great through the metal frame, and they are very comfortable. Although I can wear the plastic pair, they just don't feel the same.

**Why?**

# What does the patient say?

I can see great through the clear pair, but the sunglasses are not clear and a bit swimmy

**Why?**

# First time progressive lens wearer.

Old Rx

R -11.00 DS

L -10.50 DS
